

Paris, August 12th 2017

Dear Regional Director,

For security reason, the French authorities have asked to the French Shooting Federation to mandatory secure the access to the shooting range that will be used for the World Shoot in Châteauroux.

For this reason all regional directors are required to report to the registration desk of the shooting range **from August 20th** to retrieve the :

- accreditation cards for all their shooters, coaches and members of delegations
- accreditation cards for car access to the car park

The accreditation card must be presented every day at the entrance of the Shooting Range. Without it, no one will be allowed access to the range.

Best personal regards,

Stéphane QUERTINIER
Regional Director
